

G. Tommy Smith
Future U.S. House Representative
4th Congressional District of Oregon

My name G. Tommy Smith (please call me Tommy).

I served 10 years in the U.S. Navy as an Air Traffic Controller. I graduated from the University of Oregon Lundquist College of Business.

I am faith driven person who believes in the teachings of love thy neighbor. It's why I am running for office. I want to help as many people as I can.

I have often been placed in a position of trust and leadership with an ability to gather others from all walks of life, so we all can achieve a common goal.

We face a lot anger, division, and distrust. What we need is more understanding, listening, and kindness. I think we need to be reminded we are all Oregonians and we are all are Americans just trying to get by.

A huge problem in politics is money. I challenge *ALL* candidates in this election not to take donation of more than a \$100 from any source.

We need a new generation of public servants. Sworn to the oath of only serving the best interest of their constituents. All I want to do is serve.

I mean to go to Washington D.C. and help our country move forward with my special brand truth and sarcasm.

I may not have the experience as some but no one will be more passionate, or be more driven.

Let's get to work.

Many blessing to you and yours
Tommy
